MULTI

One dressing room, MULTI possibilities

Easier access to clothes, textiles, accessories and shoes, as well as providing them with the right storage conditions - these are two most important elements that make advantage over the traditional dressing room.

In dressing room the winner is the **system made of wire**, such as **Variant MULTI**. **Wire construction of drawer, baskets, hangers and racks** provide the proper **air circulation**, which is very important in a case of textiles there and also allow for **optimal space**. In addition - in the case of, for example, shoes protect it against deformation, crease or damage. The system is equipped with **extension system with full open and soft close system** with the **15 kg** capacity. That is gurantee comfort in using it.

Available in many dimention and two colors solutions (**white and black, matt finishing**), the **Variant MULTI** system can be easily fit into any dressing room or cabinet building solution.

MULTI

Linen basket

Pull out of linen baskets are the optimal way to store clothes and large textiles. You can put sweaters, blouses, and T-shirts as well as towels, blankets and bed linen. The wire baskets are equipped with reliable extension systems which help easy access for stored items. The wire construction of drawers ensures the proper air circulation, which is very important the case of textiles items.

Linen drawers Variant MULTI are available in 4 widths: 600, 700, 800 and 900 mm, height 230 mm and depth 490 mm. Offered in two colors: black and white in matt finish.

MULTI Shoe rack

The Variant MULTI drawers with special footwear racks of various types are a perfect solution for dressing room and custom made dressing rooms. On appropriately constructed, made of wire baskets we can place both sports shoes and boots, providing them with proper air circulation and also protect against deformation or dirt.

Shoe rack Variant MULTI is available in available in 4 widths (600, 700, 800 and 900 mm), height 160 mm and depth 490 mm. There are two colour solution in matt finish: white and black.

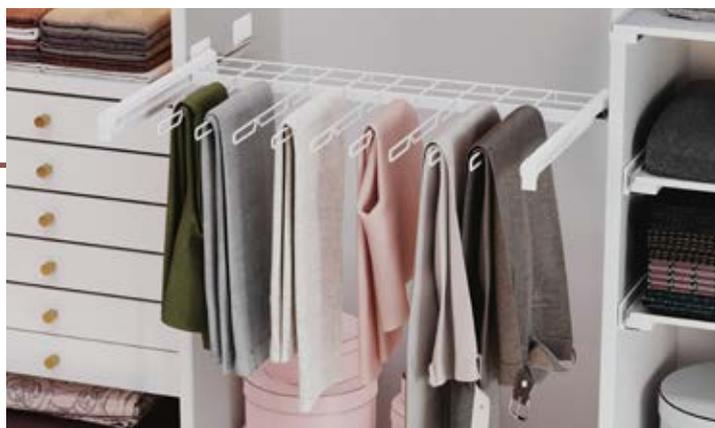

MULTI **Drawer for trousers**

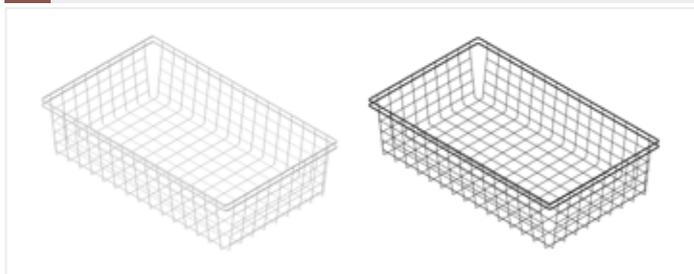

Storing trousers has never been so easy and convenient. Drawer for trousers Variant MULTI allows you to hang up few or even more than several pairs at once. Thanks to the full extension slide system the users have easy access to the stored items. Properly shaped, strong rack construction are equipped with reliable extension system, guarantee failurefree work and pull-out even heavy rack.

Pull-out trousers rack is available in 4 widths: 600, 700, 800 and 900 mm, height 70 mm and a depth of 490 mm. Two colors are available: white and black in a matt finish.
